"*Reading to Kids* really influenced me because reading is crucial to your future. *Reading to Kids* pretty much created my desire and enjoyment of reading – before I went the first time I hated reading and didn't have any books in the house, but *Reading to Kids* gave me books and the volunteers helped me realize how much fun reading is."

How does your donation help?

Reading to Kids inspires kids with a love of reading through our monthly reading clubs! On the second Saturday of each month, more than 800 children attend our monthly reading clubs to hear a story read aloud by volunteers, create a craft based on the book, and take home a book of their own! Kids emerge from our program with more enthusiasm for reading, books for their home library, stronger school libraries, personal relationships with volunteers, and changed attitudes for reading in English!

In order to sustain and expand our program, we need your help! Your donation will help to purchase hardcover books for elementary school libraries in low-income communities, fund book donations directly to children and parents to help them develop their own home libraries, and expand our program into new schools and communities.

With just \$5 we can purchase prize books for 4 kids, with \$50 we can purchase 4 hardcover read aloud books that are donated to school libraries, with \$500 we can purchase a year's worth of prize books for parents at one school, and with \$6,000 we can purchase a year's worth of hardcover read aloud books for one school!
