

OPERATION SANTA 2013

Operation Santa is the Pasadena Jaycees' longest running community service project.

Since 1934, we have been collecting letters to Santa Claus written by children in Pasadena and the surrounding areas. Those letters are read, toy drives are initiated, funds are raised, houses are mapped out, and on Christmas Eve Santa and Mrs. Claus visit the homes of these children with gifts in hand. Not only will you help touch the lives of over 3500 children, but the experience of working with these kids and fulfilling their Christmas wishes is truly a memory you will cherish.

Be a part of this wonderful event and

Volunteer as a Santa or Mrs. Claus on Christmas Eve!

Date: Saturday, December 24th

Location: Scottish Rite Temple (A.K.A. The North Pole)
150 North Madison Avenue
Pasadena, CA

Time: Come by the North Pole from 9 a.m.- 1:00 p.m. to get your assigned route (flexible)
Santa Teams leave at approximately 5:00 p.m.
You will be done by 9:00 p.m. at the latest.

Job Description: Sort toys for children on your route, pack your car full of these toys, and deliver them to good boys and girls throughout Pasadena and surrounding communities. No experience necessary - we will train! We provide the full outfits for you to borrow!

Compensation: Free lunch and dinner, and the wonderful feeling you'll get when you make a child's face light up. Toys and wardrobe are provided by the project.

Transportation: Traditionally your "sled" is driven by an Elf volunteer, but Mrs. Claus can also do the driving. The bigger the car you have, the better. 4 doors work better than 2 doors for delivering toys. Minivans or SUV's work the best because of the extra cargo space.
